## Armageddon By Jimmy Swaggart

The word "Armageddon," has found its way into most every language. It refers to a cataclysmic event. Surely, and soon, according to the Word of God, this world is heading toward Armageddon. It will happen! The armies will consist of those under the Antichrist, those for Israel, and the army of Israel. To be sure, it will be a one-sided event, but for... The Second Coming of the Lord. This will take place in the very midst of this battle when it looks like, for Israel, all hope is gone. However, when Jesus comes back the second time it will be as a Man of War, such as the world has never seen as it regards His Power. Pharaoh asked a long time ago, "Who is the Lord?" The world at the time of the Second Coming is going to find out exactly Who Jesus is.
