Devil's Pact By Samantha Cruise

DEVIL'S PACT [Erotic Western Romance/ Menage a Trois]: Epitome of pure evil, born without a heart, soul, or conscience...even his parents did not claim him. He is an outlaw who takes what he wants... The moment Devin Spawn stumbles upon the exquisite beauty bathing alone in a river, he wants her. Morality non-existent, yet he struggles to keep his distance. His sexual excesses and massive proportions would be too much for the tiny girl who appears more waifish and innocent than womanly. She is a widow with so much to give... The instant Megan Spawn feels his heated touch and potent sensuality, her flesh burns with wanton desires. It matters little he is the devilishly handsome outlaw known as the Devil's Spawn, the most feared, lethal gunslinger in the West-and her stepson. Together they risk everything in the devil's playground... Where sexuality is as untamed as the bloodthirsty savages roaming the western frontier, and childhood sweetheart Caleb Walker is guilty as sin, the dark side of lust and passionate surrender comes at a hefty price when you forge a Devil's Pact. ** 5 Angels, Fallen Angel Recommended Read: "Devil's Pact is the kind of book for people like me who enjoy reading about an overly aggressive testosterone filled man in love. Devin is not a gentleman; he's crude, kind of mean but the same passion he uses when killing is exactly what he brings to the bedroom. Samantha Cruise's historical feast was more than just a well developed story with guns, danger, mayhem and delicious wickedness. Devil's Pact was a story that sucked me into the emotional upheaval of the characters. I was right there during the orgasmic interludes that left me sweating and anxious for more. I was with them as they attempted with their bodies to say what each found so hard to say with words. I can't say enough how much I actually loved this book, all 497 pages of it. A story that had me on the hook from the first encounter with Meg to the final culmination when finally a decision was made on if Devin and Megan could make it, if their passion was more than rabid frenzy lust but something life altering, something meant to be forever. Caleb, the third in the ménage, was just icing on a cake already flowing with goodies, but he wasn't Devin: a man readers will go away loving or detesting. That is why I think Ms. Cruise did a great job no matter the impression you get, strong love or hate for some of her characters. She did something special by seducing you into the story to feel anything at all." --Fallen Angel Reviews ** "Devin Spawn is an outlaw. Given away at birth by his father, Devin travels to his father's ranch to find out why. When he gets close, he comes across a tiny, beautiful woman bathing in the river. Since he has the devil inside of him, Devin does the one thing that comes natural to him--he

seduces and makes her his own. There is one thing Devin doesn't know. He has just had relations with his stepmother. Megan Spawn has had a tough life.

Rescued from a life of drudgery by her now deceased husband, she wants to spend her life caring for her stepdaughters and possibly being able to have a relationship with the town doctor, her first love, Caleb Walker. That is, until she is touched by the outlaw known as Devil's Spawn. Caleb Walker has loved Megan ever since she was a little girl. When his family caught them in the barn when they were teenagers and sent him away, Caleb has despaired of ever being able to be with Megan. He loves her and is willing to give her time. However, with the arrival of Devin Spawn, time may be running out because it seems that no matter how much Caleb loves her, she might not be his for the taking.

Samantha Cruise has written a ménage unlike any I have read and I plan to read anything else she releases. She caught my attention with Devil's Pact and I think she will hold it for a long time." --Joyfully Reviewed.
