Fleeting Moments Part 1 By Gordon Fischer

Fleeting Moments takes the reader on a journey through the remarkable life and times of Walter Gordon Fischer. These autobiographical stories are told in Gordon's inimitable wry style as he journeys through the world in the search of adventure under the guise of making a living. These autobiographical stories of his travels are littered with larger than life characters from duchesses to divas, tycoons to tyrants with a backdrop of cocktail parties, revolutions and close shaves.

Gordon was born in New York in 1930. His curiosity about the world and its peoples has led him to 92 different countries at the last count and his appetite for travel is still undiminished. His stories hop from childhood memories to recent events and back again capturing the delightful and the duplicitous, the dangerous and decorous. The length of his life and the extent of his travel have made Gordon's real-life stories amazing and fascinating. His experiences are presented to the reader through self deprecating narrative giving tiny snap-shots of humanity in its many forms. That Gordon speaks seven different languages is a testament to his interest in people and their cultures. He has collected arts and artifacts along the way which colorful, entertaining and amusing much as are his stories.
