Editorial Review

Review

“The compilation of noted speakers and authors in *Apologetics for a New Generation* on pertinent topics that face this and our next generation is absolutely outstanding. It is a must read for every parent, youth worker and teacher out there.

“No person who is serious about affecting the lives of young people for Christ should be without the insight and wisdom contained in this book. I'd love to see it as required reading in every youth group/small study group across the nation. Our Christian young people need not only to believe in Christ, but be able to defend their faith in Christ and this resource is a definite beginning for this use. Thanks Sean for a job well done.”

?Dr.Timothy L. Heaton, Professor of Education, Cedarville University

“Apologetics meets postmodernism. Sean gives me a renewed sense that apologetics really does matter. I will recommend this book to every youth pastor I know.”

?Ryan Snuffer, DMin, director, The Christian Resource Center
