And how do we know it is? why do camels have such bad breath? What is a bruise? Are chemicals in my brain responsible for my falling in love? Will they fade as I grow older? How long can love last? Do Cats Have Belly Buttons? is a follow-up to the successful Can Cows Walk Down Stairs?. Answering life's big questions, as well as the small, it unravels the science behind those things we take for granted, and explains just why the world and its contents are as they are.
