Inventors of Ideas: Introduction to Western Political Philosophy

By Donald Tannenbaum

Inventors of Ideas: Introduction to Western Political Philosophy By Donald Tannenbaum

INVENTORS OF IDEAS connects the major philosophers' original political and societal views with current politics and political thought. Significantly revised to give increased coverage to the major thinkers, the Third Edition covers the traditional canon of writers. INVENTORS OF IDEAS gives students the practical and historical foundations with which to look at contemporary political issues.

Editorial Review

Review
"Three strengths are brevity, analytical framework, and inclusiveness."

"First, I like the length of the book. Second, on the whole, it has a good mix of depth v. breadth. Third, again on the whole, it is well-written."

About the Author
Donald G. Tannenbaum teaches Political Philosophy at Gettysburg College. He is the Founding Editor of COMMONWEALTH: A JOURNAL OF POLITICAL SCIENCE, has written widely for scholarly books, journals, and symposia, served as consultant to the Jacob K. Javits Fellowship Program Review Board of the United States Department of Education and to a number of Political Science departments, and been President of the Northeastern Political Science Association (1993-1994) and the Pennsylvania Political Science Association (1988-1990). Professor Tannenbaum received his Ph.D. in Politics from New York University, which named him a University Honors Scholar. In 2002, he was honored with an American Political Science Association/Pi Sigma Alpha citation recognizing him as a recipient of a campus-wide teaching award, which he attributes, in part, to his use of this text in several of his classes. In 2011, he was named chair of the Hubert H. Humphrey Award Committee by the Council of the American Political Science Association.

Users Review

From reader reviews:

Mary Andrade:

Information is provisions for people to get better life, information today can get by anyone on everywhere. The information can be a information or any news even restricted.
