Reclaiming the American Right: The Lost Legacy of the Conservative Movement By Justin Raimondo

In recent years a number of conservatives have wondered where the Right went wrong. One persuasive answer is provided by *Reclaiming the American Right: The Lost Legacy of the Conservative Movement*. Justin Raimondo's captivating narrative is the story of how the non-interventionist Old Right—which included half-forgotten giants and prophets such as Sen. Robert A. Taft, Garet Garrett, and Col. Robert McCormick—was supplanted in influence by a Right that made its peace with bigger government at home and “perpetual war for perpetual peace” abroad. First published in 1993, *Reclaiming the American Right* is today as timely as ever.

The latest volume in ISI Books' Background series, this edition includes a new introduction by Georgetown political scientist George W. Carey, Patrick J. Buchanan's introduction to the second edition, and new critical essays on the text by Scott Richert, executive editor of *Chronicles*, and David Gordon, senior fellow at the Ludwig von Mises Institute.

Editorial Review

Review

"When I was deciding whether or not to run for President as a Republican, I re-read Justin Raimondo's *Reclaiming the American Right* and it gave me hope—that the anti-interventionist, pro-liberty Old Right, which had once dominated the party, could and would rise again. Here is living history: the story of an intellectual and political tradition that my campaign invoked and reawakened. This prescient book, written in 1993, could not be more relevant today."

— **RON PAUL**, Ten Term U.S. Congressman (TX) and 2008 Presidential Candidate

"Richly researched, brilliantly written, passionately argued. . . . A veritable *Iliad* of the American Right."—**Patrick J. Buchanan**, political commentator, syndicated columnist, and author

About the Author

Justin Raimondo is editorial director of Antiwar.com, a senior fellow at the Randolph Bourne Institute, and author of *An Enemy of the State: The Life of Murray N. Rothbard*.

George W. Carey is professor of government at Georgetown University. He is the author or editor of many books, including *The Basic Symbols of the American Political Tradition* (with Willmoore Kendall) and, from ISI Books, *Liberty and Virtue: The Conservative/Libertarian Debate*.

Users Review
