Editorial Review

From the Back Cover

Five stars for *Tell It Slant* ... An enlightening, comprehensive, and very satisfying text on writing and shaping creative nonfiction." -- Sheila Bender, editor and publisher of writingitreal.com and author of *Writing and Publishing Personal Essays*

When the poet Emily Dickinson wrote, "Tell all the Truth but tell it Slant," she provided today's writers of creative nonfiction some sound advice: tell the truth but don't become mere transcribers of day-to-day life. Artistic truth offers a depth and vibrancy that goes beyond the everyday. But how do we, as writers, move beyond cold fact to create elegant nonfiction that makes the most of our individual "slant" on the world we live in?

The award-winning authors of *Tell It Slant* stretch your writing muscles as they reveal the specialized art of creative nonfiction. Whether you are writing a memoir or researched essays, the authors will guide you along your journey, using intensive instruction and an abundance of writing exercises to show you how to:

- Gain access to your own memories
- Look for material outside of yourself
- Address ethical issues when writing about other people
- Tackle (and enjoy) background research
- Avoid clichés and discover fresh language
- And keep the passion of writing alive

About the Author

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

Users Review

From reader reviews:

Alfredo Dunn:

People live in this new day of lifestyle always aim to and must have the spare time or they will get great deal of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely indeed. People is human not really a huge robot. Then we inquire again, what kind of activity do you possess when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is actually *Tell It Slant: Writing and Shaping Creative Nonfiction*.

Henry Perry:

Playing with family in a park, coming to see the marine world or hanging out with good friends is thing that

usually you may have done when you have spare time, after that why you don't try matter that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Tell It Slant: Writing and Shaping Creative Nonfiction, you can enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't obtain it, oh come on its identified as reading friends.

Michelle Jarvis:
