## The Mount: A Novel By Carol Emshwiller

- \* Philip K. Dick Award Winner
- \* Best of the Year: *Locus, Village Voice, San Francisco Chronicle, Book Magazine*
- \* Nominated for the Impac Award

Charley is an athlete. He wants to grow up to be the fastest runner in the world, like his father. He wants to be painted crossing the finishing line, in his racing silks, with a medal around his neck. Charley lives in a stable. He isn't a runner, he's a mount. He belongs to a Hoot: The Hoots are alien invaders. Charley hasn't seen his mother for years, and his father is hiding out in the mountains somewhere, with the other Free Humans. The Hoots own the world, but the humans want it back. Charley knows how to be a good mount, but now he's going to have to learn how to be a human being.

"I've been a fan of Carol Emshwiller's since the wonderful *Carmen Dog*. *The Mount* is a terrific novel, at once an adventure story and a meditation on the psychology of freedom and slavery. It's literally haunting (days after finishing it, I still think about all the terrible poetry of the Hoot/Sam relationship) and hypnotic. I'm honored to have gotten an early look at it."

—Glen David Gold

"Carol Emshwiller's *The Mount* is a wicked book. Like Harlan Ellison's darkest visions, Emshwiller writes in a voice that reminds us of the golden season when speculative fiction was daring and unsettling. Dystopian, weird, comedic as if the Marquis de Sade had joined Monty Python, and ultimately scary, *The Mount* takes us deep into another reality. Our world suddenly seems wrought with terrible ironies and a severe kind of beauty. When we are the mounts, who—or what—is riding us?

—Luis Alberto Urrea

"We are all Mounts and so should read this book like an instruction manual that could help save our lives. That it is also a beautiful funny novel is the usual bonus you get by reading Carol Emshwiller. She always writes them that way."

—Kim Stanley Robinson

"This novel is like a tesseract, I started it and thought, ah, I see what she's doing. But then the dimensions unfolded and somehow it ended up being about so much more."

—Maureen F. McHugh

"*The Mount* is so extraordinary as to be unpraiseable by a mortal such as I. I had to keep putting it down because it was so disturbing then picking it up because it was so amazing. A postmodernist would call it The Eros of Hegemony, but I'm no postmodernist. Nearly every sentence is simultaneously hilarious, prophetic, and disturbing. This person needs to be really, really famous."

—Paul Ingram, Prairie Lights Bookstore

"Brilliantly conceived and painfully acute in its delineation of the complex relationships between masters and slaves, pets and owners, the served and the serving, this poetic, funny and above all humane novel deserves to be read and cherished as a fundamental fable for our material-minded times."

—*Publishers Weekly*

"Adult/High School - This veteran science-fiction writer is known for original plots and characters, and her latest novel does not disappoint, offering an extraordinary, utterly alien, and thoroughly convincing culture set in the not-too-distant future. Emshwiller brings readers immediately into the action, gradually revealing the takeover of Earth by the Hoots, otherworldly beings with superior intelligence and technology. Humans have become the Hoots' "mounts," and, in the case of the superior Seattle bloodline, valuable racing stock. Most mounts are well off, as the Hoots constantly remind them, and treated kindly by affectionate owners who use punishment poles as rarely as possible. No one agrees more than principal narrator Charley, a privileged young Seattle whose rider-in-training will someday rule the world. The adolescent mount's dream is of bringing honor to his beloved Little Master by becoming a great champion like Beauty, his sire, whose portrait decorates many Hoot walls. When Charley learns that his father now leads the renegade bands called Wilds, he and Little Master flee. This complex and compelling blend of tantalizing themes offers numerous possibilities for speculation and discussion, whether among friends or in the classroom."

—*School Library Journal*

"Emshwiller's prose is beautiful"

—Laura Miller, *Salon*

"*The Mount* is a brilliant book. But be warned: It takes root in the mind and unleashes aftershocks at inopportune moments."

—*The Women's Review of Books*

"Carol Emshwiller has been writing fantasy, speculative and science fiction for many years; she has a dedicated cult following and has been an influence on a number of today's top writers.... it is very easy to fall into the rhythm of Emshwiller's poetic and smooth sentences."

—*Review of Contemporary Fiction*

"Emshwiller's themes—the allure of submission, the temptations of complicity, the perverse nature of compassion—are not usual fare in novels of resistance and revolt, and her strikingly imaginative novel continues to surpass our expectations to the very last page."

—*The Philadelphia Inquirer*

"Both fantastical and unnerving in its familiarity. And like her work in romance and westerns, its genre-twisting plot resists easy classification."

—*The Village Voice*

"Emshwiller uses a deceptively simple narrative voice that gives *The Mount* the style of a young-adult novel. But there's much going on beneath the surface of this narrative, including oblique flashes of humor and artfully articulated moments of psychological insight. *The Mount* emerges as one of the season's unexpected small pleasures."

—*San Francisco Chronicle*

"A memorable alien-invasion scenario, a wild adventure, and a reflection on the dynamics of freedom and slavery."

—*Booklist*

"A brilliant piece of work."

—*Bookslut*

"...a beautifully written allegorical tale full of hope that even the most unenlightened souls can shrug off the bonds of internalized oppression and finally see the light."

—*BookPage*

"A fable/fantasy/cautionary tale along the lines of, say, *Animal Farm*. It's the story of Charlie, a preadolescent human who's being used as a horse by shoulder-riding alien invaders known as Hoots. Charlie wants nothing more than to become a great Mount, a loyal slave and servant, until his father, a renegade Mount who has fled from the Hoots and now lives in the mountains, comes to take him away. Like so much of Emshwiller's work, *The Mount* asks difficult questions—in this case, What is freedom? The issue is particularly appropriate at a time when "freedom" in America is increasingly defined as "security"—freedom from uncertainty, freedom from fear, freedom from want. All of which is, in the end, not really freedom at all."—*Time Out New York*

"In a recent interview with *Science Fiction Weekly*, Ursula Le Guin called Emshwiller "the most unappreciated great writer we've got." *The Mount* proves Le Guin right.... If Emshwiller is not already on your top bookshelf, *The Mount* will put her there."

—*Rambles*

Carol Emshwiller's stories have appeared in *The Magazine of Fantasy & Science Fiction*, *Century*, *Scifiction*, *Lady Churchill's Rosebud Wristlet*, *TriQuarterly*, *Transatlantic Review*, *New Directions*, *Orbit*, *Epoch*, *The Voice Literary Supplement*, *Omni*, *Crank!*, *Confrontation*, *Trampoline*, *McSweeney's Mammoth Treasury of Thrilling Tales*, and many other anthologies and magazines.

### Editorial Review

#### From Publishers Weekly

Like Emshwiller's startlingly perceptive short fiction and her previous novel, *Carmen Dog* (1990), where women begin to degenerate into animals and animals start evolving upward into womanhood, this novel turns our supposed certainties into beautiful and terrible insights. Writing in skeletal prose from the adolescent point of view of Charley, a boy who dreams of becoming a famous racer (ridden by his alien Little Master, the reptilian? avian? marsupial? Future-Ruler-of-Us-All), Emshwiller picks up human history several generations after a successful Hoot invasion has turned most of humanity into "mounts," bred for speed and beauty and trained with whips and savage bits to do their masters' will. In the mountains, though, a few wild humans lurk, led by Charley's father, plotting to rise up against the Hoots and take back the world they lost. Glimpses of arresting sorrow meld here with teenage dreams and hopes and anguish, shaped subtly with a poet's sure touch into finely crafted characterizations of human-as-not-quite-animal, Hoot-as-not-quite-monster, coming together through heartbreak and abandonment of previously hard-held prejudices. Brilliantly conceived and painfully acute in its delineation of the complex relationships between masters and slaves, pets and owners, the served and the serving, this poetic, funny and above all humane novel deserves to be read and cherished as a fundamental fable for our material-minded times.

A rider is talking to its mount, a human. The rider (the one who gives a ride) belongs to an alien race, the hoots, that landed human generations ago. Now the hoots keep humans as mounts, breeding them much as humans once bred horses. The very best mounts are imprinted as infants and train with their riders from childhood. Charley, one of the best, is destined to be the mount of The-future-supreme-ruler-of-us-all. When he is about 12, Wilds--renegade humans-- come from the mountains on a raid and kill the hoots. Charley saves his Little Master, though, and becomes the only Wild with a hoot. Mount and rider learn a lot about freedom from the Wilds, and when the humans are ready to fight the rest of the hoots, the solution to a crisis is the unexpected result of Charley and the Little Master's relationship and their understanding of the truth about hoots and their mounts. A memorable alien-invasion scenario, a wild adventure, and a reflection on the dynamics of freedom and slavery. *Regina Schroeder*

### Users Review

#### From reader reviews:

##### Jamie Brewer:

What do you ponder on book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't desire

do that. You must know how great and also important the book The Mount: A Novel. All type of book would you see on many sources. You can look for the internet options or other social media.

### **Jonathan Ownby:**

Book is to be different per grade. Book for children right up until adult are different content. We all know that that book is very important for people. The book The Mount: A Novel seemed to be making you to know about other expertise and of course you can take more information. It is quite advantages for you. The reserve The Mount: A Novel is not only giving you far more new information but also for being your friend when you truly feel bored. You can spend your personal spend time to read your publication. Try to make relationship with all the book The Mount: A Novel. You never truly feel lose out for everything in the event you read some books.

### **Francisca Varney:**

Here thing why this specific The Mount: A Novel are different and dependable to be yours. First of all reading a book is good however it depends in the content of it which is the content is as delicious as food or not. The Mount: A Novel giving you information deeper as different ways, you can find any e-book out there but there is no book that similar with The Mount: A Novel. It gives you thrill examining journey, its open up your personal eyes about the thing in which happened in the world which is might be can be happened around you. You can actually bring everywhere like in park your car, café, or even in your method home by train. Should you be having difficulties in bringing the paper book maybe the form of The Mount: A Novel in e-book can be your choice.

### **Lillian Burbank:**

With this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple method to have that. What you have to do is just spending your time very little but quite enough to possess a look at some books. One of several books in the top record in your reading list is The Mount: A Novel. This book that is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upwards and review this reserve you can get many advantages.
